## Statement by Managing Director

Dear clients and shareholders,

**With great pleasure, I would like to present you very successful business activities of NLB Razvojna banka in 2007.**

The Bank operates on the territory of the Republic of Srpska, with business network which includes Head Office and 66 organizational units.

Speed, quality and reliability are the basic qualities recognized by our numerous clients.

I can proudly say that the Bank has constantly had an increase in all balance positions during 2007. As of December 31<sup>st</sup> 2007. assets amounted to BAM 1,097,999 thousand and it is 78% more than the same period in 2006.

The Bank is able to offer all classic and modern banking services to the citizens and companies, as well as to the other subjects who participate in the developing projects in the Republic of Srpska and Bosnia and Herzegovina.

In the period January 1<sup>st</sup> - December 31<sup>st</sup> 2007. total revenues amounted to BAM 74,102 thousand and total expenses amounted to BAM 58,689 thousand. Achieved gross profit amounted to BAM 15,413 thousand. Net profit after taxation, in the amount of BAM 1,586 thousand, amounted to BAM 13,827 thousand and it is 96% more than the same period in 2006.

The last year in the Republic of Srpska is marked with the significant progress in the privatization of state-owned sector, as well as the increase in prices at the capital and real estate markets, contributing the banking offer expansion. We have significant cooperation and partners relations with the governmental institutions, especially with the funds and Investment-Development Bank in the Republic of Srpska a.d. Banja Luka, which is established by the Government of the Republic of Srpska and promotes credit lines from the RS development program resources. Our Bank is chosen to participate in development credit placements.

Deposits are the significant financing source, showing the clients' confidence to the Bank. At the end of 2007. deposits amounted to BAM 918,043 thousand and it is 90% more than the same period in 2006.

Providing that the significant positive results achieved in the privatization of the state-owned companies and financing sources for the large infrastructure projects are already provided, the biggest economic activites in 2008. are expecting to happen in telecommunications, energetics and traffic.

Continuous process of integration are happening in the commercial banking sector now, so the banking sector in the Republic of Srpska currently comprises of the nine banks.

Due to more prosperous economic environment and more efficient work of all segments in our system, futher progress

**Cijenjeni komitenti i akcionari,**

**Zadovoljstvo mi je da vam predstavim uspješno poslovanje  
NLB Razvojne banke u 2007. godini.**

Banka posluje na području Republike Srpske, sa poslovnom mrežom koju čine Centralna Banca i 66 organizacionih jedinica.

Brzina, kvalitet i pouzdanost su osnovni kvaliteti koje prepoznaju naši mnogobrojni komitenti.

Sa ponosom želim istaći da je tokom 2007. godine Banka bilježila konstantan rast svih bilansnih pozicija. Aktiva je na dan 31.12.2007. godine iznosila 1,097,999 hiljada KM i za 78 odsto je veća u odnosu na isti period 2006. godine.

Banka obezbjeđuje cijelokupnu ponudu klasičnih i modernih bankarskih usluga građanima i privredi, kao i ostalim subjektima koji su uključeni u razvojne projekte u Republici Srpskoj i Bosni i Hercegovini.

U periodu od 01.01. do 31.12.2007. godine ostvareni su ukupni prihodi u iznosu od 74,102 hiljada KM i ukupni rashodi u iznosu od 58,689 hiljada KM. Ostvarena bruto dobit iznosila je 15,413 hiljada KM. Neto dobit, poslije poreza od 1,586 hiljada KM, iznosila je 13,827 hiljada KM i za 96 odsto veća je u odnosu na isti period 2006. godine.

Proteklu godinu u Republici Srpskoj obilježio je značajan napredak u privatizaciji državnog sektora, kao i rast cijena na tržištu kapitala i nekretnina, što doprinosi ekspanziji bankarske ponude. Značajnu saradnju i partnerski odnos imamo sa državnim institucijama, posebno sa fondovima i Investiciono-razvojnom bankom Republike Srpske a.d. Banja Luka, koju je osnovala Vlada Republike Srpske i koja promoviše kreditne linije iz sredstava Razvojnog programa RS. Izabrani smo za jednu od banaka koja će učestvovati u plasmanu razvojnih kredita.

Značajan izvor finansiranja su depoziti, što ukazuje na povjerenje komitenata u Banku. Depoziti na kraju 2007. godine iznosili su 918,043 hiljade KM i u odnosu na 2006. veći su za 90 odsto.

Imajući u vidu da su ostvareni značajni pozitivni rezultati u privatizaciji državnih preduzeća i da su obezbijeđena sredstva za neke krupne infrastrukturne projekte, najveće privredne aktivnosti u toku 2008. godine očekuju se u oblasti telekomunikacija, energetike i saobraćaja.

U sektoru komercijalnog bankarstva, u toku je kontinuiran proces ukrupnjavanja, pa bankarski sektor u Republici Srpskoj trenutno čini devet banaka.

U narednom periodu, zbog povoljnijeg ekonomskog ambijenta i efikasnijeg djelovanja svih dijelova sistema, očekuje se dalji napredak i povećanje stranih ulaganja, pozitivan uticaj na privredna kretanja i stvaranje novih mogućnosti za pružanje bankarskih usluga.

## Statement by Managing Director

and increase of foreign investments, positive influence to the economic trends and the new possibilities for banking service offer will be expected in the following period.

Stability and capital level, high credit potential, good image and the Bank's confirmed quality opened the new perspective for continued growth and development.

We pay the same attention to all our clients regardless of their size and scope of their business activities with the aim of achieving the mutual success.

In 2007. we introduced the new products and significantly improved the existing products such as private banking services, e-banking for physical persons, credit cards and larger number of different credit products for physical persons and legal bodies. Total number of credit cards is increased for 24% in comparison with 2006.

In 2007. we made some investments in reconstruction and adaptation of the Bank's existing business premises, as well as in purchase of the new business premises aimed to expand our business network, to decrease operating expenses and to provide better working conditions.

We gave a significant contribution to the social, cultural and sport activities in the Republic of Srpska by active program of sponsor and donor activities.

Strategic goal of the Bank's business policy is maintenance of long-term loyalty of our clients, as well as obtaining of the new ones, whereby we would increase our market participation and achieve a leader market position.

Finally, I wish to thank to our shareholders, the members of Supervisory Board and the Bank's other bodies, employees, as well as to all others who, working with us, contributed to NLB Razvojna banka having a very significant place at the banking market of the Republic of Srpska and BaH.

The Bank's success is based on the success of our clients and economy as a whole.

Sincerely,

Managing Director  
Radovan Bajić

**Pismo  
direktora**

Stabilnost i visina kapitala, visok kreditni potencijal, dobar imidž i potvrđen kvalitet Banke, otvorili su nam novu perspektivu za nastavak rasta i razvoja.

Svim komitentima nezavisno od njihove veličine i obima poslovanja poklanjamo istu pažnju, sa ciljem ostvarivanja zajedničkog uspjeha.

U 2007. godini uveli smo nove proizvode i znatno unaprijedili postojeće, od kojih treba istaći usluge ličnog bankarstva, elektronsko bankarstvo za fizička lica, kartično poslovanje i veći broj različitih kreditnih proizvoda za pravna i fizička lica. Ukupan broj kartica je u odnosu na 2006. godinu porastao za 24 odsto.

U toku 2007. godine izvršena su ulaganja u rekonstrukciju i adaptaciju postojećih poslovnih prostora Banke, kao i kupovinu novih poslovnih prostora za Banku, a u cilju širenja poslovne mreže, smanjenja troškova poslovanja i stvaranja boljih uslova za poslovanje.

Aktivnim programom sponzorskih i donatorskih aktivnosti dali smo značajan doprinos u društvenim, kulturnim i sportskim događajima u Republici Srbkoj.

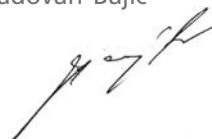

Strateški cilj poslovne politike Banke je očuvanje dugoročne lojalnosti naših klijenata, kao i pridobijanje novih, čime bi se povećalo tržišno učešće i ostvarila vodeća pozicija na tržištu.

Na kraju, želim izraziti zahvalnost akcionarima, članovima Nadzornog odbora i drugim organima Banke, te zaposlenima, kao i svima onima koju su radeći sa nama doprinijeli da NLB Razvojna banka zauzme značajno mjesto na bankarskom tržištu Republike Srbije i BiH.

Uspjeh Banke, zasnovan je na uspjehu naših komitenata i privrede u cijelini.

S poštovanjem,

Direktor Banke  
Radovan Bajić

## Independent Auditor's Report

Independent auditor's report PricewaterhouseCoopers d.o.o., Beograd  
To the Supervisory Board and Shareholders of NLB Razvojna Banka a.d. Banja Luka

We have audited the accompanying financial statements of NLB Razvojna banka a.d. Banja Luka (hereinafter "Bank"), which comprise the balance sheet as of December 31<sup>st</sup> 2007. and income statement, statement in changes in equity and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the provisions of the Article 104 of the Law on Banks ("Official Gazette of the Republic of Srpska", No. 74/02 and 44/03) and the provisions of the Law on Accounting and Auditing of the Republic of Srpska ("Official Gazette of the Republic of Srpska" No. 67/05). This responsibility includes: design, implementation and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selection and application of appropriate accounting policies; and preparation of accounting reports that are reasonable in some circumstances.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit in accordance with International Standards on Auditing and provisions of the Decision on the Minimum of Scope, Form and Program Contents and Reports on the Economic and Financial Audit of Banks ("Official Gazette of the Republic of Srpska", No. 12/03). Those standards and regulations require that we comply with ethical requirements and to plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatements.

An audit involves application of procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The selection of procedures depends on the auditor's judgement, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the preparation and fair presentation of the financial statements in order to select adequate audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal controls. An audit also includes evaluation of adequacy of applied accounting policies and acceptability of accounting estimates made by management, as well as evaluation of overall presentation of the financial statements. We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our audit opinion.

**Izveštaj nezavisnog revizora PricewaterhouseCoopers d.o.o., Beograd  
Nadzornom odboru i akcionarima NLB Razvojne Banke a.d. Banja Luka**

Izvršili smo reviziju priloženih finansijskih izveštaja NLB Razvojne banke a.d. Banja Luka (u daljem tekstu "Banka") koji uključuju bilans stanja sa stanjem na dan 31. decembar 2007. godine i bilans uspeha, izveštaj o promeni na kapitalu i izveštaja o novčanim tokovima za godinu završenu na taj dan, pregled računovodstvenih politika i druge napomene uz finansijske izveštaje.

**Odgovornost Rukovodstva za Finansijske Izveštaje**

Rukovodstvo je odgovorno za sastavljanje i realno i objektivno prikazivanje ovih finansijskih izveštaja u skladu sa članom 104. Zakona o bankama ("Službeni glasnik Republike Srpske" br. 74/02 i 44/03) i odredbama Zakona o računovodstvu i reviziji Republike Srpske ("Službeni glasnik Republike Srpske" 67/05). Ova odgovornost uključuje: osmišljavanje, implementaciju i održavanje internih kontrola relevantnih za sastavljanje i realno i objektivno prikazivanje finansijskih izveštaja koji ne sadrže materijalno značajno pogrešno prikazivanje, nastalo ili usled pronevere ili usled greške; izbor i primenu odgovarajućih računovodstvenih politika; i sačinjavanje računovodstvenih izveštaja prihvatljivih u datim okolnostima.

**Odgovornost Revizora**

Naša odgovornost je da na osnovu izvršene revizije izrazimo mišljenje o prikazanim finansijskim izveštajima. Reviziju finansijskih izveštaja izvršili smo u skladu sa Međunarodnim standardima revizije i odredbama Odluke o minimumu obima, oblika i sadržaja programa i izveštaja o ekonomsko-finansijskoj reviziji banaka ("Službeni glasnik Republike Srpske" br. 12/03). Ovi standardi i regulativa zahtevaju da postupamo u skladu sa načelima profesionalne etike i da planiramo i izvršimo reviziju na način koji nam omogućava da steknemo razumno uverenje da finansijski izveštaji ne sadrže materijalno značajno pogrešno prikazivanje.

Revizija podrazumeva primenu procedura u cilju pribavljanja revizorskog dokaza o iznosima i obelodanjivanjima sadržanim u finansijskim izveštajima. Izbor procedura zavisi od revizorskog prosuđivanja, uključujući procenu rizika od nastanka materijalno značajnog pogrešnog prikazivanja u finansijskim izveštajima, nastalog ili usled pronevere ili usled greške. Pri proceni ovih rizika, revizor uzima u obzir interne kontrole relevantne za sastavljanje i realno i objektivno prikazivanje finansijskih izveštaja Banke u cilju odabira adekvatnih revizijskih procedura u datim okolnostima, a ne za potrebe izražavanja mišljenja o delotvornosti internih kontrola preduzeća. Revizija takođe obuhvata ocenu adekvatnosti primenjenih računovodstvenih politika i prihvatljivosti računovodstvenih procena koje je izvršilo rukovodstvo, kao i ocenu opšte prezentacije finansijskih izveštaja.

Verujemo da su revizorski dokazi koje smo pribavili dovoljni i adekvatni kao osnov za izražavanje mišljenja.

## Independent Auditor's Report

**PRICEWATERHOUSECOOPERS** 

### Opinion

In our opinion, the financial statements fairly and objectively present, in all material respects the financial position of NLB Razvojna Banka a.d. Banja Luka as of December 31<sup>st</sup> 2007. as well as the financial result and cash flows for the year then ended in accordance with the Law on Accounting and Auditing of the Republic of Srpska ("Official Gazette of the Republic of Srpska" No. 67/05).

### Emphasis of matter

Without qualifying our opinion, we draw attention to Note 2 to the financial statements where it is indicated that the income statement for the year 2006. is not comparable with the figures contained in the Income statement for the year 2007. due to the operating result for the first three months in 2006. of Razvojna Banka Jugoistočne Evrope a.d. Banja Luka Bank group of Nova Ljubljanska banka, which merged with LHB Banka a.d. Banja Luka, not being presented in the Income Statement, but as a negative result in the Bank's equity, amounting to BAM 705 thousand.

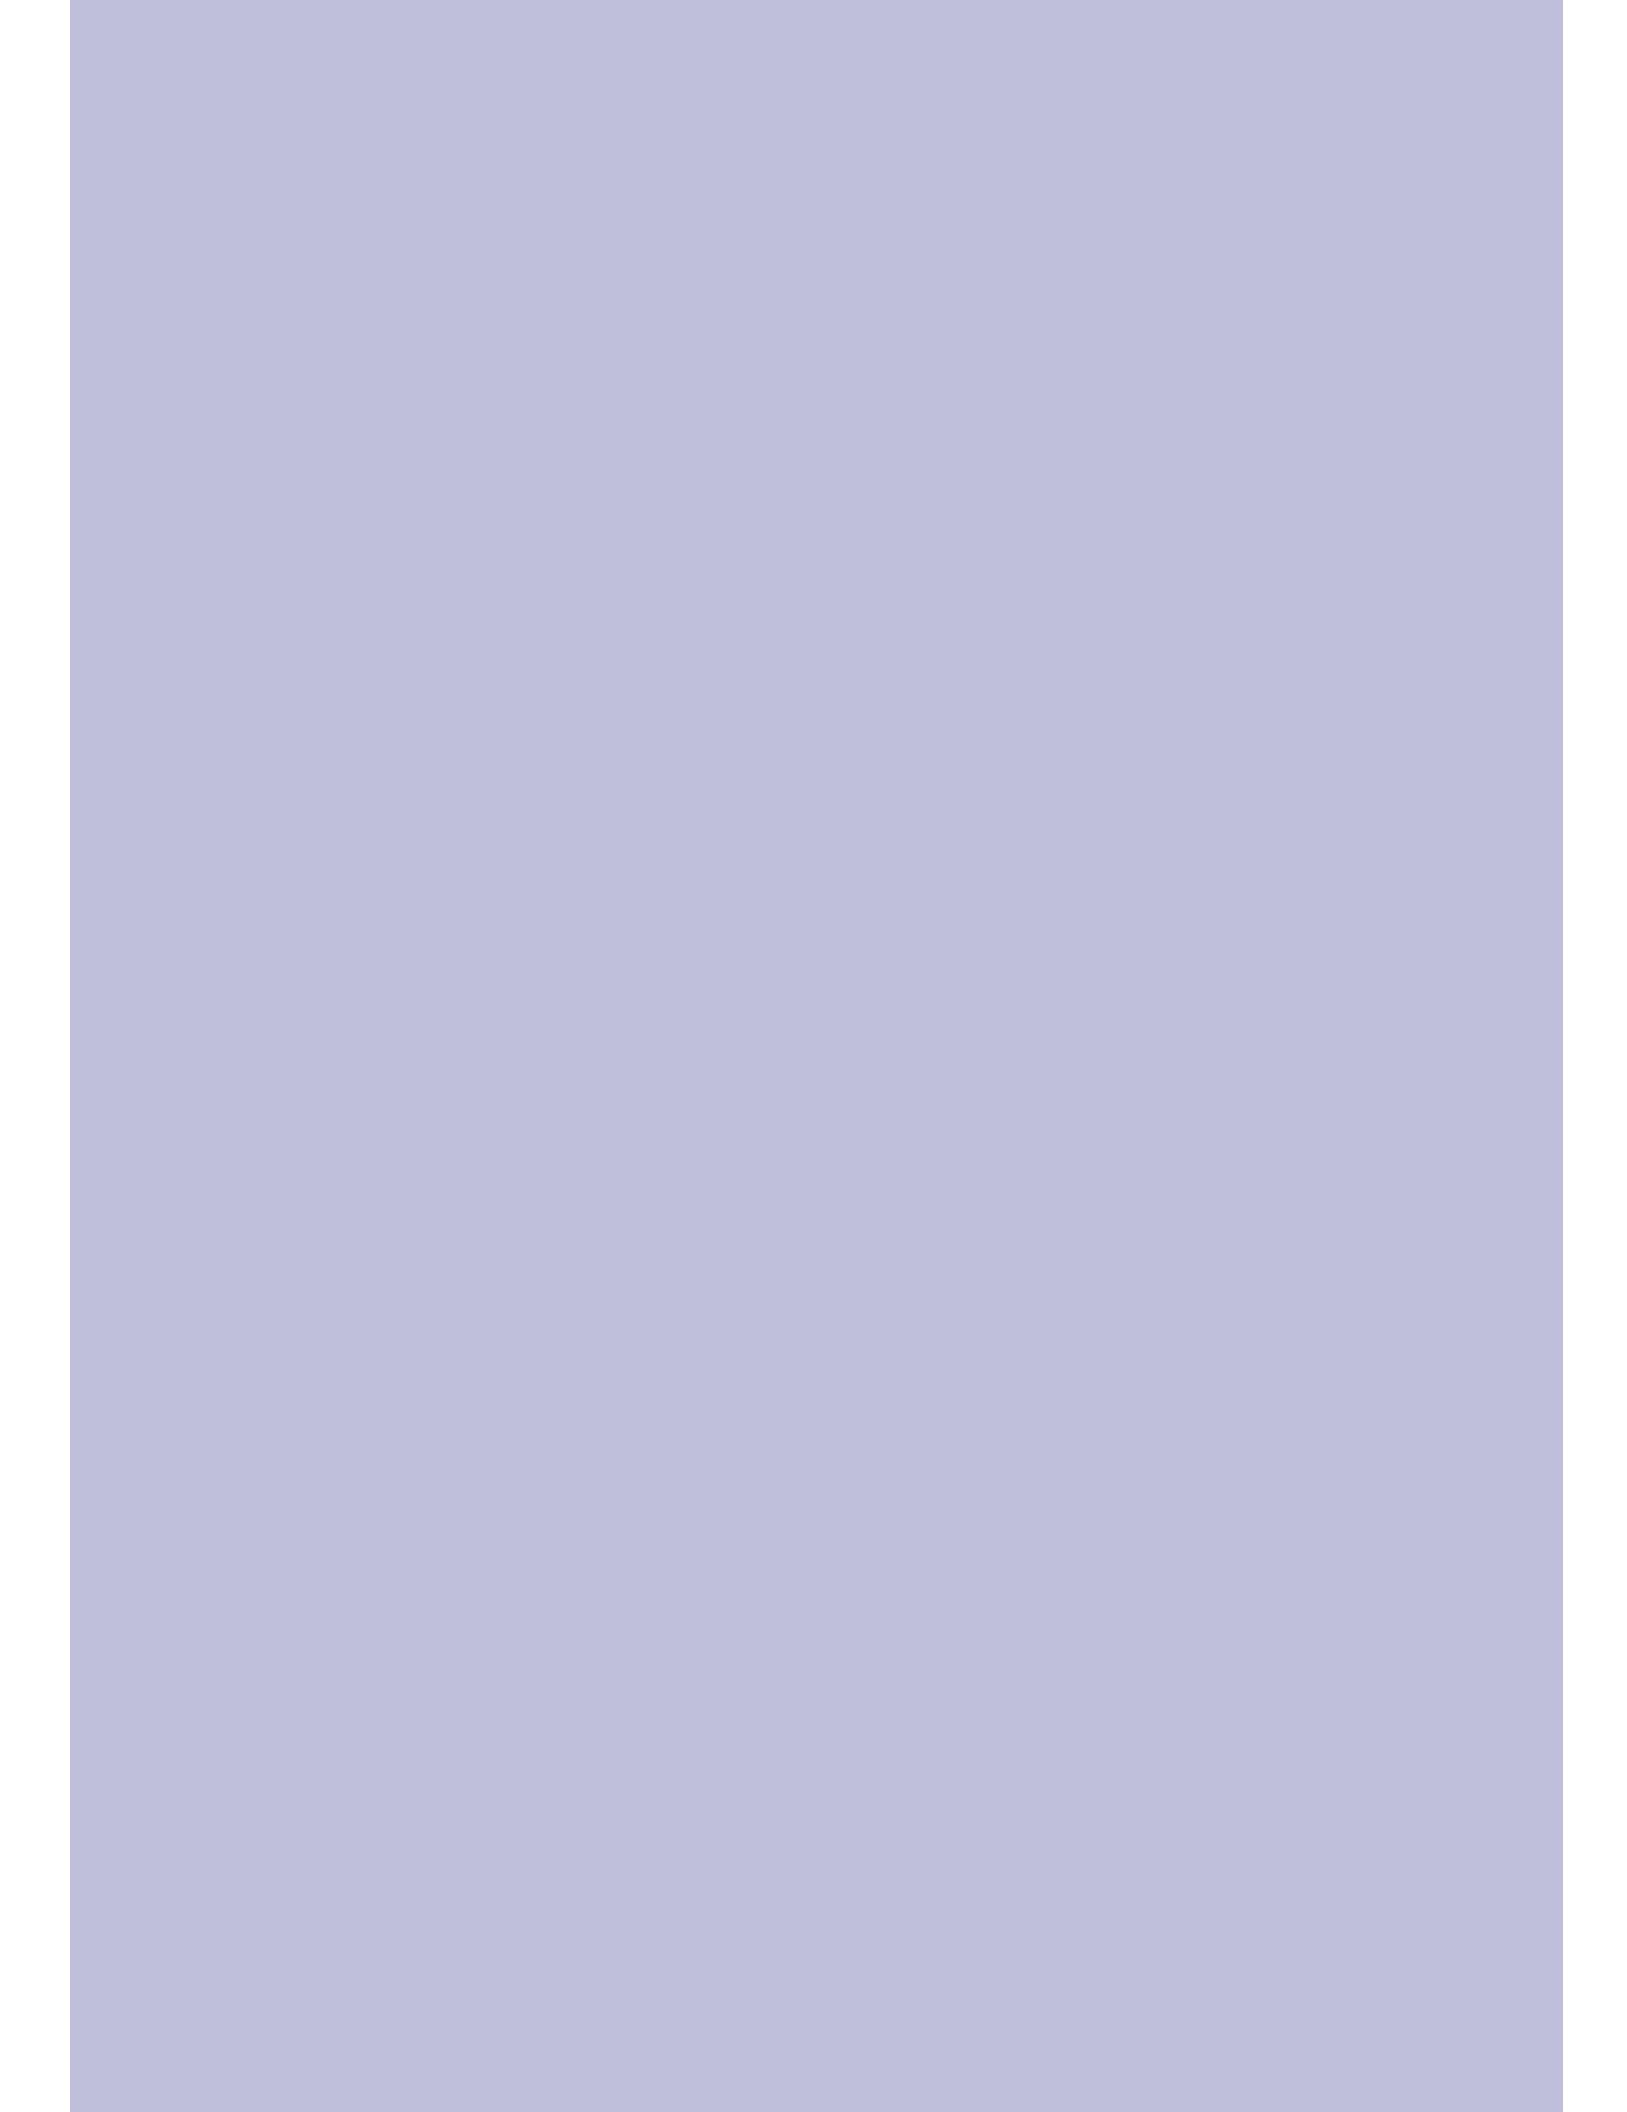

### Mišljenje

Prema našem mišljenju, priloženi finansijski izveštaji u svim materijalno značajnim aspektima prikazuju realno i objektivno finansijsko stanje NLB Razvojne Banke a.d., Banja Luka sa stanjem na dan 31. decembra 2007. godine kao i rezultate poslovanja i novčane tokove za godinu završenu na taj dan, u skladu sa Zakonom o računovodstvu i reviziji Republike Srpske ("Službeni glasnik Republike Srpske" br. 67/05).

### Skretanje pažnje

Bez kvalifikovanja našeg mišljenja, skrećemo pažnju na Napomenu 2 uz finansijske izveštaje da Bilans uspeha za 2006. godinu nije uporediv sa ciframa u bilansu uspeha za 2007. godinu usled činjenice da rezultat poslovanja Razvojne Banke Jugoistočne Evrope a.d. Banja Luka bankarska grupa Nove Ljubljanske banke, koja se spojila sa LHB Bankom a.d. Banja Luka, za prva tri meseca 2006. godine nije prikazan u Bilansu uspeha Banke, nego kao negativan rezultat u kapitalu Banke u iznosu od KM 705 hiljada.
